MANUFACTURING ASSISTANT (EVENINGS) REQUIRED

Warcradle Studios are looking to expand their production facility with a Manufacturing Assistant to work in the evening. This is an ideal position for a capable person with commitments during the day but a desire to undertake a rewarding challenge in a work environment.

The working week is anticipated to be 4pm to 10pm, Monday to Friday. There is flexibility to include weekend work as well. Rate is £7.50 per hour

The role that will reward you with a wide range of staff perks such as great discounts as well as significant promotion opportunities for the right individual.

A Suitable Candidate Would Demonstrate the Following:

- A need that every product is produced to the highest standards.
- Ability to assist the Manufacturing Supervisor and other Team Members with planning our stock levels and how we assemble our products.
- Effective time-management skills to make sure our production commitments are met.
- Planning and preparing for the next shift.
- The ability to work in a logical, systematic manner with a high attention to detail.
- The ability to work under pressure and motivate others to meet tight deadlines.
- The importance of actively adhering to our health and safety processes.
- Understand the production plan and what responsibilities you will have on each shift.
- Willing to support other areas within the business as needed.

If, after reading this, you feel you are the candidate we are looking for please email us your CV along with a covering letter outlining what you would bring to the role to: jobs@warcradle.com
