RESIN PRODUCTION ASSISTANT REQUIRED

Warcradle Studios are looking to expand their resin production capacity with a dynamic and focussed Resin Production Assistant to work in our head office at Wayland Games Limited located just outside of Southend in Essex.

You'll be involved in all aspects of resin production. The candidate should demonstrate their experience and skills with resin production as this role will play a key part in strategically developing the expansion of our capabilities in this area.

Salary range is up to £17,500 for a full time position.

You will be rewarded with 28 days per year holiday, a wide range of staff perks such as great discounts as well as significant promotion opportunities for the right individual.

If, after reading the Requirements and Ideal Candidate details overleaf, you feel you would be suitable for this role please email us your CV along with a brief outline of what you would bring to the role to: jobs@waylandgames.co.uk

A Suitable Candidate Would Be Required To Demonstrate the Following Abilities:

- Willingness to learn and maintain our high standards of manufacture.
- Enthusiasm for the manufacturing process and the role, striving to improve standards of quality and workplace procedure.
- Liaise with the Resin Production Supervisor to ensure that resin production is efficient through skilful mould making and casting.
- The capacity to grasp concepts easily with a proactive approach to problem solving.
- The ability to work in a logical, systematic manner with an attention to detail to ensure high levels of quality.
- The ability to communicate clearly and persuasively both with peers as well as managers and third parties.
- The ability to work under pressure and motivate others to meet tight deadlines.
- Be responsible for the maintenance of equipment.
- Monitor product standards and implement quality-control programmes.
- Work with managers to implement the company's policies and strategic goals.
- Ensure that health and safety guidelines are followed.
- Is more than capable of working on multiple projects simultaneously as part of a small team that is likely to adapt and change, they must be willing to put the hours in when needed to get the job done.
